EDUCATION

K S Rangasamy College of Technology Bachelor of Engineering - Computer Science and Engineering 2022 - 2026 | CGPA: 8.20

TECHNICAL SKILLS

Programming Languages: JavaScript, Python, Java, C++

Frontend: React, HTML5, CSS3, Tailwind CSS

Backend: Node.js, Express.js, MongoDB

Tools & Technologies: Git, Docker, Postman, VS Code

FEATURED PROJECTS

Face Recognition Attendance System ⢠Real-time face recognition using OpenCV and Python ⢠Automated attendance tracking with database integration

E-Commerce Platform - MERN Stack

⢠Full-stack application with JWT authentication

⢠Payment integration and admin dashboard

Real-Time Chat Application

⢠Socket.io integration for real-time messaging

⢠Chat history persistence and responsive design

ACHIEVEMENTS

⢠300+ LeetCode Problems Solved

⢠Hackathon Participation: Bhumi Hackathon 2024-2025, Smart India Hackathon 2024

⢠10+ Full-Stack Projects Completed

⢠Open Source Contributions
